JURISDICTION AND VENUE

1. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334. This is a core proceeding under 28 U.S.C. § 157(b). Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409.

2. The statutory predicates for the relief requested herein are Bankruptcy Code sections 105(a) and 365(a) and Bankruptcy Rule 6006.

BACKGROUND

3. On November 10, 2008 (the "Petition Date"), the Debtors filed voluntary petitions in this Court for relief under chapter 11 of the Bankruptcy Code.

4. The Debtors continue to manage and operate their businesses as debtors in possession pursuant to Bankruptcy Code sections 1107 and 1108.

5. On November 12, 2008, the Office of the United States Trustee for the Eastern District of Virginia appointed a statutory committee of unsecured creditors (the "Creditors' Committee"). To date, no trustee or examiner has been appointed in these chapter 11 cases.

6. On January 16, 2009, the Court authorized the Debtors, among other things, to conduct going out of business sales at the Debtors' remaining 567 stores pursuant to an agency agreement (the "Agency Agreement") between the Debtors and a joint venture, as agent (the "Agent"). On January 17, 2009, the Agent commenced going-out-of-business sales (the "GOB Sales") pursuant to the Agency Agreement at the Debtors' remaining stores.

RELIEF REQUESTED

7. By this Motion, the Debtors request the entry of an order under Bankruptcy Code sections 105(a) and 365(a) and Bankruptcy Rule 6006 authorizing the Debtors to reject the Contracts as of the Rejection Date (as defined below).

8. The Debtors are currently performing their review and evaluation of other executory contracts that are not the subject of this Motion. As this process continues, the Debtors may identify additional executory contracts to be assumed or rejected. Accordingly, the Debtors reserve the right to seek to assume or reject additional executory contracts. This Motion should not be construed as a determination that

any executory contracts not listed herein are to be assumed or rejected.

BASIS FOR RELIEF

9. In an effort to avoid any future potential postpetition administrative costs and in the exercise of the Debtors' sound business judgment, the Debtors hereby move to reject the Contracts.

10. The Contracts are comprised primarily of services, license, marketing and merchandising contracts which, in light of the liquidation and the wind down of the Debtors' businesses, the Debtors no longer require. Moreover, in certain cases, the Debtors have previously agreed, following consultation with the Contract counterparty, that the Contract parties will cease performance under the Contract prior to the date hereof.

11. The Debtors have analyzed each of the Contracts to determine the appropriate date of rejection. The Debtors have concluded that, in order to minimize unnecessary potential costs to the estate, the Contracts should be rejected as of the rejection date listed on Exhibit A for each Contract (the "Rejection Date").

12. Each of the Contracts is listed on Exhibit A, along with the name of the Contract counterparty, the Contract type, the effective date of the Contract, and the proposed Rejection Date.

13. Through the rejection of the Contracts, the Debtors will be relieved from performing and paying fees and other associated costs. Thus, by rejecting the Contracts on the applicable Rejection Date, the Debtors will avoid incurring any additional unnecessary administrative charges for services that provide minimal, if any, tangible benefit to the Debtors' estates and that the Debtors have determined to be unnecessary. The resulting savings from the rejection of the Contracts will increase the Debtors' future cash flow and assist the Debtors in managing their estates.

14. In considering their options with respect to the Contracts, the Debtors have determined in their business judgment that the costs associated with assuming the Contracts would be substantial and would constitute an unnecessary drain on the Debtors' cash resources. Based on this analysis, the Debtors have

determined that the Contracts provide no value to the Debtors' estates.

15. Accordingly, the Debtors believe that rejection of the Contracts as of the Rejection Date is in the best interests of their estates, their creditors, and other parties in interest.

APPLICABLE AUTHORITY

16. Bankruptcy Code section 365(a) provides that a debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease." 11 U.S.C. § 365(a). A debtor's determination to reject an executory contract is governed by the "business judgment" standard. See Lubrizol Enterprises, Inc. v. Richmond Metal Finishers, Inc., 756 F.2d 1043, 1046-47 (4th Cir. 1985), cert. denied sub nom., Lubrizol Enters., Inc. v. Canfield, 475 U.S. 1057 (1986); In re Extraction Technologies of VA, L.L.C., 296 B.R. 393, 399 (Bankr. E.D. Va. 2001); see also In re HQ Global Holdings, Inc., 290 B.R. 507, 511 (Bankr. D. Del. 2003) (stating that a debtor's decision to reject an executory contract is governed by the business judgment standard

and can only be overturned if the decision was the product of bad faith, whim, or caprice).

17. Once the Debtors articulate a valid business justification, "[t]he business judgment rule 'is a presumption that in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company.'"

Official Comm. Of Subordinated Bondholders v. Integrated Res., Inc., 147 B.R. 650, 656 (S.D.N.Y. 1992) (quoting Smith v. Van Gorkom, 488 A.2d 858, 872 (Del. 1985)).

18. The business judgment rule has vitality in chapter 11 cases and shields a debtor's management from judicial second-guessing. See Comm. Of Asbestos-Related Litigants and/or Creditors v. Johns-Manville Corp., 60 B.R. 612, 615-16 (Bankr. S.D.N.Y. 1986) ("[T]he Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor's management decisions.").

19. As set forth above, the Debtors have satisfied the "business judgment" standard for rejecting the Contracts. The Contracts are potentially

financially burdensome and unnecessary to the Debtors' estates. Moreover, as of the applicable Rejection Date, each of the Contracts provides or will provide no economic benefit to the Debtors, nor are such Contracts a source of potential value for the Debtors' estates and creditors. Accordingly, rejection of the Contracts as of the Rejection Date reflects the sound exercise of the Debtors' business judgment.

20. In summary, the Debtors believe that the proposed rejection of the Contracts is tailored to minimize administrative expense, maximize distributions to creditors in these chapter 11 cases, and limit the performance and other costs of Contract counterparties. In the exercise of their sound business judgment, the Debtors thus seek authority to reject the Contracts.

21. Numerous courts, including those in this Court, have authorized similar relief. See, e.g., In re Circuit City Stores, Inc., Case No. 08-35653 (Bankr. E.D. Va. Nov. 10, 2008); In re Movie Gallery, Inc., et al., Case No. 07-33849 (Bankr. E.D. Va. Oct. 17, 2007); In re Storehouse, Inc., Case No. 06-11144 (Bankr. E.D. Va. Nov. 21, 2006); In re Rowe Furniture, Inc., Case No. 06-11143

(Bankr. E.D. Va. Nov. 21, 2006); In re The Rowe Cos., Case No. 06-11142 (Bankr. E.D. Va. Nov. 21, 2006); In re US Airways Group, Inc., Case No. 02-83984 (Bankr. E.D. Va. Aug. 12, 2002).

NOTICE

22. Notice of this Motion has been provided to those parties entitled to notice under this Court's Order Pursuant to Bankruptcy Code Sections 102 and 105, Bankruptcy Rules 2002 and 9007, and Local Bankruptcy Rules 2002-1 and 9013-1 Establishing Certain Notice, Case Management, and Administrative Procedures (Docket No. 130) and to all counterparties to the Contracts. The Debtors submit that, under the circumstances, no other or further notice need be given.

WAIVER OF MEMORANDUM OF LAW

23. Pursuant to Local Bankruptcy Rule 9013-1(G), and because there are no novel issues of law presented in the Motion and all applicable authority is set forth in the Motion, the Debtors request that the requirement that all motions be accompanied by a separate memorandum of law be waived.

NO PRIOR REQUEST

24. No previous request for the relief sought
herein has been made to this Court or any other court.

CONCLUSION

WHEREFORE, the Debtors respectfully request that the Court enter an Order, substantially in the form of the Proposed Order annexed hereto, granting the relief requested in the Motion and such other and further relief as may be just and proper.
